

About Us

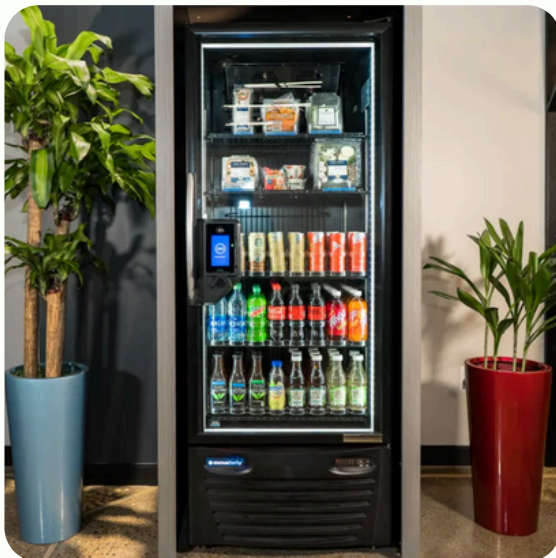

At Vendo World, we specialize in providing Artificial intelligence (AI) smart coolers that make snacking simple, modern, and hassle-free. Based in the DC, Maryland, and Virginia area, we proudly serve offices, warehouses, condominiums, and gyms, with 24/7 access to fresh food and beverages stocked, managed, and maintained by us.

Our Goal

To lead the market in AI smart cooler technology, offering customers fresh, perfectly chilled products with seamless, contactless convenience.

Our Mission

Empowering convenience through innovative vending solutions that deliver quality products anytime, anywhere.

THE SMARTER WAY TO VEND 24/7

Our Services

Our AI Smart Coolers offer a secure, cashless way for employees and guests to access fresh snacks, drinks, and meals 24/7.

Contactless Payment Options

AI-Powered Product Recognition

Enhanced Security Features

Flexible Product Selection

Why Choose Us

Our AI smart coolers bring convenient, 24/7 access to snacks, drinks, and fresh meals—without any cost to host. We handle all restocking and maintenance, so there's zero work on your end. With a sleek, cashless system and healthier product options, it's an easy upgrade that employees and guests will love.
